

## Creative Dance for 5-6 year olds 2010

At Summit Dance Shoppe, our summer classes for 5 and 6 year olds are designed to explore the creative side of dance. Each week is tied to a different theme and the focus of the classes is to "play" rather than "perform." Classes will include basic ballet and pre-jazz movements. Lots of props will be used as well as a variety of music. Students may have any amount of dance experience. Please wear comfortable clothing. Ballet shoes are recommended. Classes are 1 hour in length and meet for 1 week Monday through Thursday. You may take 1 session or all 3. The cost for each class is \$50/week. Take 2 sessions and receive \$5 off of your second session. (1 session-\$50, 2 sessions-\$95, 3 sessions-\$140) A take home prop is included in the price of the class!

**Session 1: "Leap, Twirl, Explore..."**      **June 28-July 1**      **10:15-11:15**      **Plymouth location**  
This class will incorporate many of your favorite songs as we explore different types of dance. Children will be exposed to simple ballet and jazz steps and a variety of props and music. The emphasis is not on learning routines, but on trying lots of different styles of dance: partner songs, circle dances, and a whole lot more.

**Session 2: "Just Imagine"**      **July 19-22**      **10:15-11:15**      **Plymouth location**  
If your child loves to pretend, then s/he will love this class. We will explore dance and movement through many different songs and activities. We will combine basic dance skills with creative activities. Expect to use lots of fun props and music!

**Session 2: "Summer Fun"**      **August 2-5**      **10:15-11:15**      **Plymouth location**  
This class will focus on summer related dance activities. Our week will include songs about the zoo, the beach and a parade. Some of the props we will use are beach balls, ribbons and a parachute. Basic dance steps will be incorporated, but the focus will be on lots of summer fun!
